

# Bull Frog Classic

The Bull Frog Classic, BFC, is a new award recognition program. It is very simple. Come to Westbrook Hunt Club shows, ride, and win!!! Here are the simple...VERY simple rules!

1. Horse and rider combination need to attend both of the shows held at Westbrook.
2. For Training thru Fourth Levels - Two BEST scores, one being from the highest test of the level.
3. For FEI PSG thru GP – Two Best Scores at the same level.
4. Ties will be broken first by the best scores in the highest test of the level, and second by collectives' marks of the highest test of the level.
5. Minimum average must be 58%.
6. Scores can be earned at the May and June shows both days.
7. To declare eligibility and for tracking purposes, the BFC form needs to be filled out with \$20 fee (\$5 for Office administration and \$15 for prize money).

## Horse Requirements

1. NONE!

## Rider Requirements

1. NONE!

**Awards** – Champion and Reserve will receive an attractive Bull Frog cooler, prize money distributed (see below), and of course, a bull frog of your very own (you must catch it yourself!)

**Prize Money** –Yes, there will be prize money. The pot will be shared. If you must know, prize money per each division is the number of declared forms times \$15 divided by the total number of divisions. Champions get 60% and Reserve get 40%. Example: 100 declaration forms times \$15 is total of \$1500. This \$1500 will be divided by 13 divisions or \$115.38. Champion receives \$69.23 and Reserve receives \$46.15.

If management receives a sponsor or donation for the BFC, this will be added to the pot.

### Divisions:

Training Level Open, AA, JrYR  
First Level Open, AA, JrYR  
Second thru Fourth Levels Open  
FEI PSG Open  
FEI I1 Open  
FEI I2 Open  
FEI GP Open

Please note the following:

1. Any FEI Pony, Jr and YR tests ridden will count towards the equivalent USEF/FEI Level for purposes of awards. For Example, Pony tests are

equivalent to Second Level, Jr Team and Individual are equivalent to Third Level, and YR are equivalent to PSG.

2. AA and JrYR divisions will be added to the award levels if there are 6 or more for USEF levels and 3 or more for FEI PSG.
3. FEI YH tests are not eligible for award.
4. All stated divisions must have at least 3 declared horse and riders.  
Management reserves the right to combine, split or delete divisions. Any changes will alter the number of division and hence, will alter the prize money. Example: Only one rider in I2 and two riders in GP. Management will combine into one division, I2/GP, which will lower the number of division to 12 giving more prize money.
